Download Part 1 >>Download Part 2 >>Local singer/songwriter Meryl Joan Lammers joined me in the WVKR studio to perform her original works. Her lyrical beauty and dynamic voice, backed up by her solid guitar playing, create a tapestry of styles from rock to soul to gothic. Her performance and participation on Radio Active Lunch are most appreciated. I am honored to have such great talent on my program.

Author Zoli Rozen - a close friend of Meryl's in fact, and a brilliant up and coming writer who recently published his book "A Consequence of Ordinary" joins me to discuss his upcoming novel - "Alex and the Moon Go Dancing" - a masterful craftwork which I was privy to read before its completion.

The O'Really twins will join me by phone to discuss some of the most striking events happened on Earth - our home - this week past (and soon to be forgotten).
